- As recommended by the delegation and the consultation and in close dialogue with member churches in Jerusalem, the WCC is currently focusing coordinated action and advocacy on an Ecumenical campaign **to End the Illegal Occupation of Palestine**: Support a Just Peace in the Middle East and on an Ecumenical Accompaniment Programme in **Palestine and Israel**.

- *Reaffirming* its conviction that a just and lasting solution of the Arab and Israeli conflict must be sought through active negotiations **based on United Nations Security Council resolutions 242 (1967) and 338 (1973)**;

- participating fully in efforts to reconstruct the Palestinian Authority's capacity to administer the territories under its control and to **construct the Palestinian State**.
